Brix at Harvest	22-25 degrees
PH	3.03
TA	7.5 g/L
Residual Sugar	18 g/L
Alcohol	11%
Release Date	May 2009
Winemaker	Scott Berry

Wine Notes: Ripe fruit was gently pressed to tank and settled for 48 hours prior to racking. The clear juice was cold fermented until sugar and acid were in balance, and left on fine lees until bottling.

The resulting wine has lifted notes of orange blossom, grapefruit and lime. Rich on the palate with citrus flavors and hints of nutmeg and wet stones, refreshing acidity

and a lingering finish.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.
