PH	3.15
TA	7.2 g/L
Alcohol	12.3%
Vineyard	Frog Rock
Release Date	October 2008
Winemaker	Scott Berry

Wine Notes: Hand-harvested fruit was gently pressed and settled, then racked to tank with selected yeasts and fermented for 21 days to complete dryness.(1.5g/L rs.) The 2 wines were left on gross less and stirred monthly before blending.

On the nose there are hints of wet grass and herbs, peaches and a touch of citrus. Rich body with ripe stone fruit and fresh acidity provide structure; an underpinning of limestone lengthens the finish.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.
