2005 Frog Rock Chardonnay

Harvest Date	April 1, 2005
Brix at Harvest	21.4
PH	3.07
TA	11.1
Alcohol	13%
Vineyard	Frog Rock
Release Date	Summer 2006
Quantity Produced	45 Cases
Winemaker	Scott Berry

Wine Notes: 2005 was the first year we picked Chardonnay from this vineyard for wine production. The bunches were hand picked, and were very small but juicy and concentrated with citrus and apple flavors at harvest. After gentle crushing, the must was raked with the lees into French oak barrels. After regular stirring and full malolactic fermentation the wine was bottled in May 2006. The wine is straw

colored with bright citrus notes and a hint of white peach. On the palate there are hints of tropical fruit, a touch of nutmeg and creaminess to the body followed by a rich finish. Delicious now and for the next two years.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.
