Harvest Date	April 19, 2006
Brix at Harvest	24.3
PH	3.3
TA	10
Alcohol	14.7%
Vineyard	Frog Rock
Release Date	Summer 2007
Quantity Produced	58 Cases
Winemaker	Scott Berry

Wine Notes: The grapes were hand harvested at optimal ripeness and gently pressed into chilled settling tanks. The juice was racked on the lees to new 500L French oak barrels and hand stirred. The wine went through a complete malolactic fermentation. Following bottling in February, 2007 the wine is bright and clear with a

deep lemon color. On the palate there are ripe flavors of apple and nectarine with a hint of pineapple. There are notes of toasted hazelnut and spice, and a creaminess that persists through the lengthy finish. Drinking well now and for the next three to five years.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.
