Wine Notes: The grapes were hand picked and crushed at the end of each day into 5 ton fermenters. The must was hand plunged for 12 days during fermentation then pressed off the skins into French oak barrels. (35% new) The wine was bottled in early March 2007. The color is deep ruby with pronounced aromas of ripe strawberry and black currant. There are developing notes of earth and spice, a

medium body and a refreshing acidity that complements the supple tannins. Drink now or cellar for the next three to five years.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.
