2007 Home Creek Pinot Noir

Cuisine Magazine High 4 Stars *"Northfield Home Creek Pinot Noir topped the four-star ratings, narrowly missing 5 Stars. The winery that straddles the Pacific has crafted a rich, taste mosaic of violets, dried herbs and black cherries. Try it alongside penne pasta with shredded duck."*

Wine Enthusiast 90 points *"This full-bodied, well structured Pinot Noir offers some minty, herbal notes and hints of cedar alongside tart plum and cherry flavors. Crisp acids and firm tannins frame the tightly wrapped flavors, which should unfold over the next 8 or 9 years."*

We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our

business.
