Wine Notes: The grapes were hand picked then gently pressed and settled. The juice was racked on the lees to 25% new French oak barrels. After regular stirring and partial malolactic fermentation the wine was reblended and bottled in February 2007. The wine is pale straw in color with aromas of ripe apple and tropical fruits. There are developing notes of toast and baking spice. On the palate the wine is medium bodied with pronounced fruit, crisp acidity and a long, silky finish. Drink now or cellar for up to three years.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

*We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.*
