## 2007 Waipara Valley Riesling

Harvest Date	April 25, 2007
Brix at Harvest	23 degrees
PH	3.26
TA	7.6 g/L
Residual Sugar	14.0 g/L
Alcohol	12.0%
Release Date	March 2008

Wine Notes: The grapes were picked at peak ripeness in the early morning and then gently pressed. The juice was settled clear before fermenting in stainless using selected yeasts. At the precise point of balance between acidity and sweetness the ferment was stopped and left to rest on gross lees. The wine was then racked onto fine lees for a further 6 months before clarifying and bottling. The wine has fresh

acidity, ripe juicy stone fruit flavors, with weighty mouth feel and a honeyed finish. Drinking well now, but with the acidity to cellar.

The Northfield Wines collection includes estate grown Chardonnay, Pinot Noir, Sauvignon Blanc/Semillon and Riesling.

*We are proud that in October 2008 we received our Sustainable Winegrowing New Zealand (SWNZ) Accredited Vineyard accreditation. This involved a year-long review process by an independent auditor and certifies that we adhere to a strict code of farming and wine making practices. Our commitment to sustainability is a cornerstone of our company philosophy and we look forward to continuing to use environmental best practices in all aspects of our business.*
